

Entertainment included with Gate Admission

Hickory Ridge School

Come down below and see the newly restored log school from 1840s Doddridge County. See if you could pass a school test from 1870. (Don't be too sure!!) Play some of the games that kids once played in school. Our collection of photos of one-room schools from all around the county will appeal to history and nostalgia fans alike. Hosted by your Doddridge County Historical Society.
